

This year's Confirmation classes will be held half the time on Sunday and half the time on Wednesday evenings. The focus of this year's curriculum is Holiness. The big questions we will be exploring September – December are listed below. The students will also be journaling and working on a final project relating to holiness throughout the year. The class discussions starting in January will be based on student's input and questions stemming from the first part of the year. The Big Sur Trip is for all the students who have not yet had that one day experience with the Rabbi. The LA Trip is for those students in the 9th – 11th grades who have not already experienced this trip.
