

Machon Kaplan Summer Internship Program

Machon Kaplan is an internship program for undergraduate students interested in Judaism and social justice. Based in Washington, D.C., it provides students with a meaningful social justice internship, the opportunity to engage in academic study related to their internships, and a community of like-minded students with whom to share their experience. Students learn, through study and action, the interrelationship of Judaism and American ideals, as well as the interaction of the organized American Jewish community and the U.S. government.
